of things we think, say or do:

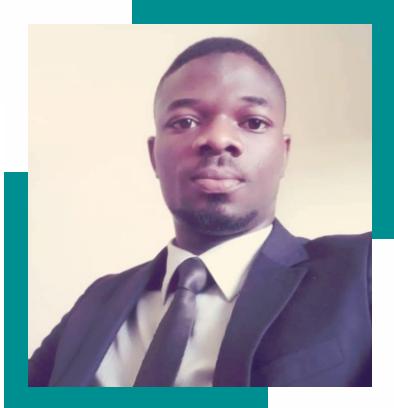

1. Is it the truth?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIARY to all concerned?

PURPOSE AND GOALS OF ROTARACT

The purpose of Rotaract is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service.

The Goals of Rotaract:

1. To develop professional and leadership skills;
2. To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
3. To provide opportunities for young people to address the needs and concerns of the community and our world;
4. To provide opportunities for working in cooperation with sponsoring Rotary clubs;
5. To motivate young people for eventual membership in Rotary.

Tick tick, Tick tock, like a grandfather's clock, the time is winding down. Just like yesterday when the year just started and now, the first half of the Rotary year is gone. Filled with ups and downs but as Rotaractors, I believe the spirit of service had kept us through the times. It is another publication and we are excited to bring you another interesting piece. Have first hand insight into reports and activities of the Rotaract District for the month of December and as well urging every humanitarian not to rest but to keep serving with all our heart. I pray 2022 be our year of greater achievements and fulfillments

Please take out time to read and digest each column and find inspiration in them.

Remember, there is always an opportunity to change lives while also making a difference.

DISTRICT ROTARACT REPRESENTATIVE'S MESSAGE

FOR THE MONTH OF DECEMBER
(DISEASE PREVENTION AND TREATMENT MONTH)

I realized the full interpretation of the slogan of the Change maker District Governor Remi Bello- Beat the Clock! After one of the longest District Board meeting that lasted for more than 4hours, I announced the date for the next board and it struck me immediately that we are entering in the half Rotary year.

In about 5mins I reflected between when the Rotary year started and where we are today- like everything is happening within a twinkle of an eye. For moments , I was lost in thought and silently asked myself, did we beat the clock?

Dear distinguished Rotary family members, let me also seize this opportunity of this new month address to pose same question for your self assessment, did you beat the clock?

DISTRICT UPDATES

The month of November was an opportunity month for Rotaract District to further advance the year plan.

On Saturday 13th November, 2021. The District had one of the best organized The Rotary Foundation seminar. The aims of organizing the seminar are to provide opportunity to share knowledge about the prestigious Foundation, understand the positive impacts of the new opportunities for Rotaractors and to raise more funds as a District.

Currently, our donation is about 2,000 Dollars but our eyes is set on a target of at least 5,000 Dollars and I am confident that the committee will generate more funds to The Rotary Foundation. I am happy that more clubs are now taking advantage to collaborate with the District to take the donation boxes to their respective clubs and I also encourage all Rotaractors to support the committee and donate aggressively to The Rotary Foundation as we proceed in the year.

It was a pleasure for me to represent our dear Rotaract District 9110 at the All Nigeria Rotary Conference in Abuja in company of some Rotaractors who I am proud to regard as volunteers- they volunteered their time and treasure to ensure Rotaract District 9110 is well represented.

The biennial event was a well attended program and a spotlight for me addressing the Rotarians from across the four Districts in Nigeria.

In support to the vision of Rotary International President, Shekhar Mehta to empower Girl Child. The District had a Girl Child project tagged: Pad A Girl Child at Odugunyan Senior Secondary School. It was a special project because the project was in collaboration with Rotaractor Taiwo Oladosu, who seized the moment of his birthday commemoration to seek partnership with the District to make impact. The project involved sensitization of the female students and donation of 7-in-1 Sanitary Pads to 256 female students of Odugunyan Senior Secondary School.

The Nominating Committee for the election of the District Rotaract Representative Nominee had the inaugural meeting on 17th November, 2021. The Committee outlined the timetable for the electioneering process and details will be made available to all Rotaractors through the secretary of committee. Kindly do accord the committee all necessary support that can enhance smooth process till the end.

In progress to the District Governor's November address note on Districting, the Districting Committee had 2 meetings on 9th and 30th November. The committee (which include The DRRE, IPDRR and yours truly with the host of Rotary Leaders) has made a giant step forward balancing the grouping of the newly proposed Districts 9111 and 9112. The factors considered for the grouping include geographical delineations and territorial landmarks and features.

I will also be making the grouping of Rotaract clubs in concordance to the newly proposed districts strictly by a single factor of where the sponsor clubs are grouped. This will provide an insight on where and how to channel energy to ensure sustainable Rotaract club in terms of number and activeness. Fellow volunteers, change is important and to embrace change is to embrace growth. Let's share possibilities and positivities as we drive further to develop Rotary in our country.

DECEMBER ACTIVITIES

The 3-day soft tech skill training for Rotaractors and non Rotaractors kick starts today at Rotary Centre. The project is an initiative of We-care in effort to teach young people how to catch fish instead of giving fish. Nearly 100 people have shown interest and registered for courses including coding, crypto currency, digital marketing, programming, graphics design and animation.

December is a month designated for disease prevention and treatment. Clubs are encouraged to explore ideas and implement projects in our local communities. The District is also open to project collaborations and coordination for more impacts.

In this yuletide season, our mind is set on celebrating ourselves as one Rotary family. I am very pleased to see Rotaractors are breaking records and setting new records as Changemakers. The cordiality that has existed between the joint committee is evident that the Rotary, Rotaract, Interact and even Rotakids are working as a team towards the successful 2021-22 Rotary year.

Distinguished Rotaractors, please get your dancing shoe, come along with excitement cap, prepare your best attires as we move to Jubilee Resort, Epe for the biggest and unprecedented Family of Rotary organized in our District.

I am pleased to see people believe in the quality of our program and massively registered for the Family of Rotary. Kindly adhere to all and regulations because they are to our benefits and protection and ensure you come out to participate, connect and have fun.

As part of Family of Rotary months, we have decided to look inward and recognized all our heroes for the time, resources and leadership they have offered our Rotaract district.

Fellow Rotaractors, as part of the We-Care and Family of Rotary initiative, we have deemed it wise to place the portraits of all the Past District Rotaract Representatives in the Rotaract Office. Of course, many do not remember them after they have served but it is our little way of writing their names in stone and also way of refreshing our memories with undiluted history.

As we enter into the half year month, I am reaching out to all Rotaract Club leaders to begin to consider the future of their clubs by selecting or electing President-Elect to enable proper preparation of what the future holds for us. The presidents-Elect needs to start working with the DRRE for harmonization. All clubs must report their respective President-Elect to the office of the District Rotaract Representative-Elect unfailingly this month.

Happy new month of December and happy yuletide!

ROTARY INTERNATIONAL PRESIDENT'S MESSAGE FOR THE MONTH OF DECEMBER

Public health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus.

As Rotarians, we believe that good health and well-being is a human right – even

though 400 million people across the globe do not have access to essential health services. The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of performing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care.

This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months.

Everyone deserves a long, healthy life. When you Serve to Change Lives, your actions today can help extend the lives of others.

This address is the sixth in the series and I continue to talk of time because it is not the main thing, it is the only thing as said by Miles Davis or how else do you put it that the year is half gone. Who said I was wrong when I keep on charging you to 'BEAT THE CLOCK'?

We have another half of the year to consolidate the gains of the first half. The second half of the year is like the last leg of a relay race where the athlete has to strive to win the shield. I therefore charge us once more to 'BEAT THE CLOCK'.

May I start this address with my best wishes for a wonderful holiday season as we approach the Christmas and the New Year 2022.

The month of November has lived up to expectation. It was full of activities from Club visits, review of the District expired Strategic Plan, Rotary Foundation Seminar, EREY promotion, hosting of World Greatest Meal, On-to-Houston Screening, RYLA, Districting of our

DISTRICT GOVERNOR'S MESSAGE FOR THE MONTH OF DECEMBER

District, unveiling of Hall of Fame, Zonal Multi-club Training Seminar for Zones 5, 6 & 10, training on Rotary Club Central, Membership and New club Development Committee meeting, District Economic and Empowerment Programme (DEEP) and lastly, the DEWEF.

It's the only thing."

MEMBERSHIP CHALLENGE
We continue our stride in membership growth with the formation of seven new Rotary clubs to date which has contributed to our new membership strength of 4,370 Rotarians as at date compared to the beginning figure of 3,621 Rotarians with a net gain of 749. I can only adduce this achievement to your support of our 'Each One Bring One and Retain

DG message contd.

All' membership slogan for the year. I thank you for the hard work.

I may not be able to cover all activities during the month. As I said earlier, the month was full of activities. I wouldn't want to bug you with too many of the activities but to report on some salient ones that you may need to be acquainted with as follows:

DISTRICTING AGENDA OF THE DISTRICT

The momentum in our membership must be sustained, especially now that we are at verge of splitting our District into two. The Districting Agenda is not a new thinking in our District but this is the first time that all the key elements required to split the District are here with us. A Districting Committee was formed last Rotary Year which has been expanded. The Committee has met twice this Rotary year. The consensus is that the District is ready for splitting into two autonomous Districts. Let us appreciate the Committee for a job well done so far.

We shall soon approach clubs for a referendum to approve the districting ahead of filing our form with the Rotary International in view of its Board meeting early in the New Year.

The benefits of the exercise out weigh whatever fears any one may be having in belonging to one District or the other. The Committee has prepared Frequently Asked Questions (FAQs) to address some questions Rotarians may have. May I appeal that you do not hesitate to ask questions that are agitating your minds from members of the Committee that have been carefully selected to represent various interest.

DG's VISIT TO CLUBS

Due to the need to strengthen some of our clubs that are less than 21 in membership, the District Membership Committee has started to engage clubs by inviting them to a meeting with the District Governor to take advantage of the opportunity of strengthening the clubs as provided in the RI August 2021 Code of Policies.

Thirty-one clubs fall within weak or none-functioning Rotary Clubs as at date. This exercise has become imperative in order to fulfil one of the conditions for Districting approval by the Rotary International Board of Directors.

As at 30th November, 2021 the official District Governor's visit has been conducted in 75 clubs out of the 132 clubs in the District.

THE ROTARY FOUNDATION

November is The Rotary Foundation Month. We put together various activities to mark the month. TRF Seminar was held on the 10th November, 2021. The District hosted the World Greatest Meal event which was well packaged and well attended. TRF Fund Raising Dinner Dance is now planned for Saturday 27th February, 2022.

I am happy to announce that there is constant improvement by the day in way Rotarians are giving to our Foundation. I am willing to match your contribution of \$500 with 500 points to get you to the 1,000-point PHF level.

We shall continue to pursue the initiatives put in place to ensure our achievement of our set goals for The Rotary Foundation.

EREY Challenge:

The challenge for a winner of a plot of land at CRYSTAL VILLA ESTATE for the EREY/Rotary Foundation Challenge amidst many other attractive Prizes continues.

What it takes to qualify for this offer is to be EREY compliant. With just \$100, you get a 5-ticket booklet for the draw. Now the juicy part is that the more \$100 payments (multiples of \$100) you make to The Rotary Foundation, the more booklets you receive which will enhance your chances of winning the plot of land.

A PHF or a PHS with \$1,000 gets 10 booklets and 50 chances of winning the land. A Major Donor of \$10,000 gets 100 booklets and 500 chances of winning the plot of land. Every an additional level of contribution gives its equivalent.

Guess what? All TRF payments through this draw will be recorded as the Rotarian's contribution to his/her Rotary Foundation account and the credit will be earned.

There are lots of other prizes that will be won ranging from Gas Cookers, Fridges, Microwaves, and many more which will be drawn intermittently.

This Challenge started with all those who made payments into The Rotary Foundation's Annual Fund starting from 1st July.

ROTARY YOUTH LEADERSHIP AWARDS

We are very close to our target of 1,500 RYLAIRIANS sponsorship by Rotary Clubs and the Committee has started screening of the nominated candidates. Kindly permit me to use this medium to appeal to our clubs and individuals to redeem their pledges of the sponsorship. We hope you will respond to my appeal for nomination of candidates in my last address.

A L L N I G E R I A R O T A R Y CONFERENCE, ABUJA 2021

The above Conference put together by the four Districts in Nigeria held at Chida Event Centre between 11th and 14th November, 2021. The theme of the conference was 'Uniting Nigeria through Rotary'. Our District was announced as the next host of the Conference in two years' time. It is now time to start preparing to host a very befitting conference.

ON TO HOUSTON CONVENTION 2022

The leadership of Rotary in Nigeria through the four District Governors has been holding meetings with the US Embassy in Abuja to facilitate easy visa processing for Rotarians that plan to attend the forthcoming Rotary International Convention in Houston Texas, USA.

Our District has completed screening of intending attendees and we now await the response from the US Embassy.

DATES FOR UPCOMING EVENTS

*10th to 12th December: Family of Rotary Celebrations.

*15th December: Rotakids Concert, Christmas and year end party

*17th December: Rotary Centre closes for the holiday season.

*4th January 2022: Rotary Centre reopens for business.

As 2021 winds down, let me thank you all for your co-operation and God for His mercies over us during the year. I wish you a very Merry Christmas and all the best for a prosperous 2022.

"Together we can, together we will".

Let me end this address by thanking you for the support to date and plead that the journey is still far. The clock is still ticking and begging to be beaten.

Let us continue to Beat the Clock and be the confirmed 'Change Maker' as we 'serve to change lives'.

ROTARACT DISTRICT 9110 UNVEILS HALL OF FAME FOR THE PAST DISTRICT ROTARACT REPRESENTATIVES

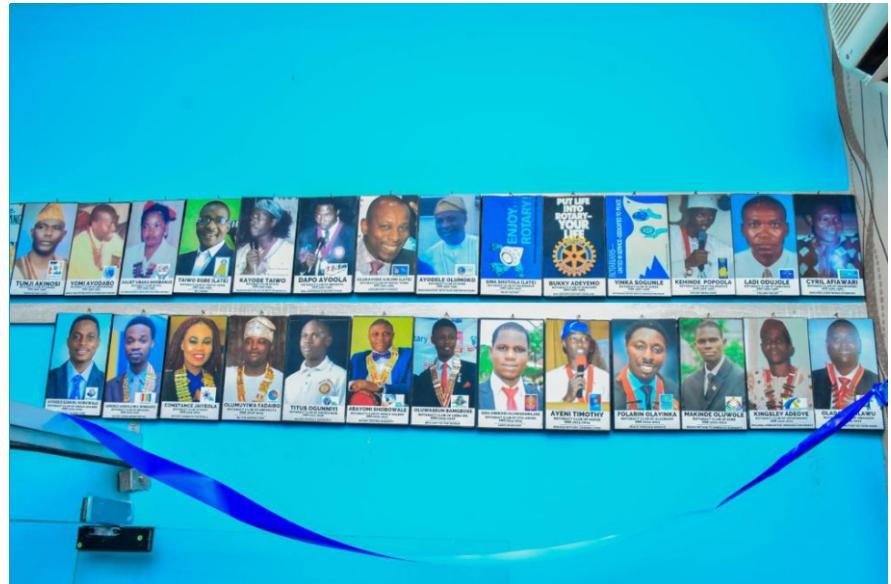

The labour of our heroes past shall never be in vain was the word on the lips of the eye witnesses when the District Rotaract Representative, Ayodeji Sobowale led the District Governor Remi Bello into the Rotaract office to unveil the Hall of Fames to recognize the all the District Rotaract Representatives (DRRs) that have served since inception.

The District Rotaract Representative Ayodeji Sobowale explained idea of the hall of fame being done in the Family of Rotary month actually, is to send a inspirational message to all the PDRRs that Rotaractors acknowledged their selfless service and they are celebrated as Rotary family irrespective of distance, far or near.

The District Governor Remi Bello in his address speech expressed his excitement that Rotaract under this current leadership is taking the right direction to inspire young people for leadership position through historical items as this. He stressed and challenged that this initiative should also ignite more passion to serve more.

The District Governor in company of the District Secretary Ehi Braimah cut the ribbon to signify the unveiling of the Hall of Fame in the presence of Past District Rotaract Representatives Mufutau Adelotan, Ben Okhumale and Constance Jaiyeola.

As part of the culture of Rotaract club of the Alagbado, it is a tradition of the club to execute a project doing the District Rotaract Representative visit to the club.

On the 5th of December, 2021. Rotaract club of Alagbado host the number one Rotaractor in District 9110 - Rtr Ayodeji Sobowale Ezekiel.

2021 FAMILY OF ROTARY -OYATO EXTRA

The 2021 Family of Rotary is an event that will forever have a place in history. An experiment that became an exciting history for the humanitarians in District 9110.

The 2021 Family of Rotary is the first of its kind involving Rotarians, Rotaractors, Interactors and Rotakids; all together populating Jubilee Chalet, Epe.

For Rotaractor District, the Family of Rotary set another record. It is the first of its kind where Rotaractors spend more than one night to celebrate Family of Rotary.

The 3-day event commenced with welcome cocktail where Rotaractors uniquely dressed in All white attire. The day 2 was full of competition and indoor games.

The female and male team of Ogun and Lagos had football match, dancing

competition and musical chair.

The event epitomized the vision of the Rotary District Governor 'Remi Bello and the District Rotaract Representative Ayodeji Sobowale.

The District Governor has the strong desire of true representation of family of Rotary celebration where all members of Rotary family - Rotarians, Rotaractors, Interactors and Rotakids- come together with families and relations to celebrate our achievements together.

Also, the District Rotaract Representative indicated his yearning for an event that will avail Rotaractors the ample time to recreate, familiarize, explore and build network of friendships.
