of things we think, say or do:

1. Is it the truth?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIARY to all concerned?

PURPOSE AND GOALS OF ROTARACT

The purpose of Rotaract is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service.

The Goals of Rotaract:

1. To develop professional and leadership skills;
2. To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
3. To provide opportunities for young people to address the needs and concerns of the community and our world;
4. To provide opportunities for working in cooperation with sponsoring Rotary clubs;
5. To motivate young people for eventual membership in Rotary.

Little by little, the year is gradually winding down, but we are not resting just yet. Once again, we bring you another edition of the monthly publication of the District newsletter. As always, this publication is filled with interesting and informative contents about happenings and events around the district.

Please take out time to read and digest each column and find inspiration in them.

Remember, there is always an opportunity to change lives while also making a difference.

DISTRICT ROTARACT REPRESENTATIVE'S MESSAGE

FOR THE MONTH OF MARCH

(WATER, SANITATION AND HYGIENE MONTH & ROTARACT DAY)

DR ADDRESS- APRIL, 2022

(MATERNAL AND CHILD HEALTH MONTH)

Sometimes it is the journey that teaches you a lot about your destination because the only journey is within. I couldn't be left with a better quote after relishing in our successes together as a District in the past 9months. Truly, this is changemaker year!

Without mincing words, we started year strongly and I am very optimistic that we are going to end it strongly and in grand style.

DISTRICT UPDATES

The 2021-22 week long Rotaract anniversary happens to be one of the busiest Rotaract week celebration in recent times. I feel so proud for the many commendations on the gigantic led billboard for Rotaract anniversary awareness. It means a whole lot for Rotaract to be showcased in one of the most sophisticated streets in Lagos state.

We had fun time and beautiful experience on media visit to the beating radio station discussing Rotaract as a platform for young people and its impact on the communities and youths.

The Rotaract week celebration also avail the opportunity for the District to coordinate and collaborate with Zones for service projects. Three projects were executed by three Zones in two areas of focus (donation of exercise books to pupils, free eye screening and blood donation drive) to further improve the impact of Rotaract in our communities while the activities ended with colorful youth symposium and hangout.

I want to once again appreciate the Rotaract Week Celebration Committee led by PP Fathia Adekeye for several initiatives that epitomized the Rotaract image we envisage.

I could remember vividly at the early hours of this same month of April- 1year ago, 4th day of April specifically, when PP Afolabi Abiola addressed and raised the hope of Rotaractors to anticipate a District Conference in the central location of Lagos state albeit affordable.

Fellow changemakers, it is not gainsaying to agree that the 38th Rotaract District Conference was a gathering that will linger in memories for long because it is a conference with many firsts; topnotch speakers, scenic

environment that complements physiological and psychological needs of youth, public image with great ambience and (the high point for me) the first time in a long while, we had a Rotaract symposium that produced conference resolution to set up a Special Committee to work with District towards the growth of the District.

I am so pleased with the Conference Committee under the chairmanship of my very good friend and brother PP Afolabi Afeez Abiola for giving us "Oyato" conference experience that has become the SI unit for other Conferences in recent times and others to come.

April according to Rotary Calendar is designated for Maternal and Child Health month. Rotaract Clubs are encouraged to carry out service projects to reduce statistics of infancy death rate, increase pregnancy care and educate nursing mothers in our communities. The District will also be available for project collaboration/partnership that is capable of making maximum impact.

Fellow Rotaractors, we are still short of the minimum goal set by the District for The Rotary Foundation contribution but with as little as individuals can contribute, I am sure we will meet our target because I know little drops of water makes the mighty ocean. Let us keep donating to the foundation and each club should at least qualify for Rotaract Giving Certificate.

COUNCIL MEETING

The 4th Council meeting shall be held this month, April 30. Further details shall be disseminated as and when due.

Let me also inform all Clubs to start putting their reports together to be able to meet up with the deadline which is 31st May, 2022.

As we journey into the 10th month, there are whole lot we can still achieve together, let us continue to remain positive, passionate and hungry for more successes while I thank you for the cooperation and supports for the past months.

In the tenth month of Rotary Calendar, let us serve to change lives

ROTARY INTERNATIONAL PRESIDENT'S MESSAGE FOR THE MONTH OF APRIL

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our

members after far too much time apart.

As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of

The quote above succinctly captures our situation for the last nine months of the Change Maker Year 2021-2022. We did not set out to become heroes overnight but we summoned courage to overcome challenges because we wanted to 'beat the clock' and win with Rotarians in our District.

We are now in our 10th month and looking back, we discovered that no mountain was too high to climb in order to serve humanity. Fellow Rotarians, we took step at a time when Covid-19 was still much around full of fear and doubt of to be or not to be.

We were not deterred, started with various training of our Officers and Change Maker Presidents training seminar, my first-class installation as the CMDG, clubs' DG visit, energy sapping Districting agenda, institution of a new culture of accountability and transparency in the District among other activities that involved thinking out of the box and before we realised it, the year is

running to a close.

However as I keep saying, there is still time to 'Beat the Clock' most especially in area of The Rotary Foundation contribution and participation by Rotarians.

MATERNAL AND CHILD HEALTH MONTH

focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. As we Serve to Change Lives, remember that we are also changing ourselves. We are becoming the world's great changemakers and peacebuilders.

The world is ready for us. It's time to rise to that call.

DISTRICT GOVERNOR'S MESSAGE FOR THE MONTH OF APRIL

I welcome you to the month of Maternal and Child Health having had Water, Sanitation and Hygiene in the month of March. Our clubs continued to 'serve to change lives' in the last nine months and without a doubt in my mind, the month of April will not be an exception.

DG message contd.

RECOGNITION AND AWARDS

It may be necessary that I remind all Rotarians that the month of April is the month clubs are expected to put together and submit the report of their activities to the District Awards and Recognition Committee chaired by PAG Ayo Olumoko.

The committee will conduct an appraisal to know which Club and Change Maker President will 'dethrone' Opportunities President Funke Doris Salau of the Rotary Club of Ota by winning the "Best Club" and "Most Outstanding President of the Change Maker Year" and enter the newly inaugurated Hall of Fame in the District.

DG'S VISIT

For some reasons amongst which are time and cost saving, some clubs held their DG's visit at The Rotary Centre. Holding the visit at The Rotary Centre did not affect the primary objectives of the Clubs receiving the DG, though the practice is not in any way encouraged by the CMDG.

Nevertheless the Clubs fulfilled one of the elements of a functioning rotary club by receiving the DG on the official visit. As at the last count, a total of 116 clubs have been visited out of the 129 clubs as at end of March 2022.

CLUBS' INDEBTEDNESS

It is important I touch the issue of clubs' indebtedness to Rotary International and the District. This is not the best of time for our clubs to owe either of these bodies.

May I appeal to those clubs in this category to devise ways and means to clear their debts in order to ensure continuity of the clubs in the new Rotary Year starting 1st July, 2022.

DISTRICT 9110 EDUCATION AND WELFARE ENDOWMENT FUND (DEWEF)

Arrangement is at top gear to issue another 120 scholarships of N100,000.00 each to indigent but brilliant students from our District. WAECC has been engaged to conduct the usual aptitude test for the prospective candidates. The scholarship award ceremony is likely to take place on 6th May, 2022.

Let me use this medium to express my sincere appreciation to our clubs and individual Rotarians for your pledge of about N52.9m out of which N31.074m has been redeemed to-date. I wish to encourage clubs and Rotarians to fulfill their promise of supporting this good cause.

DISTRICT ECONOMIC AND EMPOWERMENT PROGRAMME (DEEP)

It is disheartening to report Clubs' poor response in sponsoring indigent members of our society for the subsidised maximum micro-credit scheme of 100,000 per beneficiary.

May I please appeal to our members to support our indigent people by sponsoring them for loans.

2022-2023 TRAINING PROGRAMMES

The first combined PETS and DTA took place from 25th to 27th March, 2022. It was a huge success! Once again, I congratulate the Incoming District Governor Omotunde Lawson for a successful start. Let me also use this medium to congratulate our District Leaders, especially our District Trainer, PDG Kamoru Omotosho, and his team for very impacting programmes.

DISTRICT CONFERENCE (DISCON) 2022

DISCON 2022 preparation is going on smoothly. I am happy to say that information at my disposal shows that the Conference will be a well-attended conference considering the number of registered members for the conference.

I'm confident that it will be a conference with a different experience in terms of networking, fellowship and fun, motivational and inspirational speakers. Get ready to dance at the conference; so come along with your dancing shoes. Our social events will be full of pomp and pageantry. Once again, the preparation so far is very encouraging and I give kudos to Chairman PAG Lanre Adedoyin and members of his committee.

HOUSTON CONVENTION 2022

Houston, Texas Convention 2022 is holding between 4th and 8th June, 2022. Rotarians and family members have started obtaining

Courage is more exhilarating than fear and in the long run, it is easier. We do not have to become heroes overnight. Just a step at a time, meeting each thing that comes up, seeing it is not as dreadful as it appeared, discovering we have the strength to stare it down.

-- Eleanor Roosevelt

their visas.

The On-To-Houston Convention Committee of the District, under its Chairman, PAG Niyi Adesanya, is still going ahead with the plan for a befitting hospitality by the District.

RI PRESIDENTIAL CONFERENCE - AFRICA

One of the seven RI Presidential Conferences, the Africa version, was held in Maputo Mozambique between 4th and 5th March, 2022. The Conference was well

attended by the leadership of the District led by my humble self with my wife; the Incoming DG, DGN as well as PDG Deinde Shoga and Jide Akeredolu among other Rotarians from the District.

The District Maputo Presidential Conference Committee was chaired by PAG Gabriel Onyema who regrettably could not make the trip due to domestic accident but the Committee's Secretary, supported by PAG Ade-Oyenekan, gave the participants a Presidential experience at the conference.

PDG DR. TUNJI FUNSHO, CHAIRMAN, NIGERIA NATIONAL POLIOPLUS COMMITTEE, TRANSITIONING TO REGIONAL AND GLOBAL RESPONSIBILITIES

Through an announcement made by Mike McGovern, Rotary International Nigeria National PolioPlus Committee Chair Dr. Tunji Funsho, a key Rotary leader who was instrumental in steering Nigeria to its status as a country free of the wild polio virus, will be transitioning to Regional and International polio responsibilities for Rotary on 1 July, 2022.

He will pass on the responsibilities of the Nigerian National PolioPlus Committee to PDG Joshua Hassan who has been announced as the new Chairman of NNPPC in July.

PDG Funsho will continue as a member of the Rotary International PolioPlus Committee with a particular focus leading the review of Rotary's annual global grant of US\$150 million to the Global Polio Eradication Initiative.

He will also serve as the Rotary polio representative to meetings of the World Health Organisation AFRO region, and continue as a special adviser to the Nigerian National PolioPlus Committee.

Please join me in congratulating our PDG Tunji Funsho and PDG Joshua Hassan on their well-deserved elevation, and wish the duo continued success in their new roles towards total eradication of Poliomyelitis in our world.

"Together we can, together we will".

Let me end this address by saying that I cannot thank you enough, on behalf of myself and my wife, Nike, for the constant support and plead that it is not over until it is over.

The clock is still begging to be beaten; let us continue to beat the clock and be the confirmed 'Change Makers' as we 'serve to change lives'.

IFTAR WITH THE DRR

Rotary is diverse!!

Rotary is all inclusive!!

Muslim Faithfuls of Rotaract District

International District 9110 Rtn. Remi Bello FCA was in attendance and he appreciated the effort of the organizers and he further express the approach to be in accordance with Rotary International's newest approach to DEI - Diversity, Equity

attendees and also appreciated the massive turnout and support gotten from all Rotaractors, Rotarians and well wishers towards the success of the event "Iftar with the DRR" and further hoped that all things being equal the program would be held continuously in Rotary years to come.

Rotaractor Adam Mustapha from the Rotaract club of Kingsfarm recited some verse from the Holy Quran (Q2 vs 183-186) while Rotaractor Rabiu Muritala gave the translation of the verse as a sermon to admonish the congregation.

At an instance, the total sum of \$15 was raised and donated to The Rotary Foundation to further promote the good works of "Doing Good in the World"

Rotaractor Eleto Isiak Kolawole gave a general prayer and a vote of thanks on behalf of the planning committee.

9110 Nigeria had an Iftar session with the DRR; this session was borne out on the purpose of sharing loving moments with one another and to also share joyous and peaceful moments as we observe the holy month of Ramadan.

The event which has the theme: "Break the Fast, Show some Love" was not only for the Muslim Faithfuls but an open event for all Rotaractors regardless of their religious beliefs; with the sole aim of oneness and tolerance which is the core aim of Rotary International's existence.

and Inclusion.

He called for all Rotaractors to shamelessly promote their religion at any given opportunity. As Rotary is known to create no barrier we all should also act in oneness and see ourselves as Human before anything else.

The DRR Deji Sobowale; The DRRE Afolabi A. Abdullahi; The DRRN Mujib Olamilekan Abisogun all had their wonderful time to address the

ONLINE INTERACTIVE SESSION WITH THE DRR

At exactly 8:04pm, the District Rotaract Representative, Rotr. Ayodeji Ezekiel SOBOWALE declared the session open. The session was anchored by Rotr. AKANNI, Damola Olaide from the Rotaract Club of Olambe and Co-anchored by Rotr. Mustafa Omobusola from the Rotaract Club of Ikoyi.

SESSION PROPER

Rotr. ADENEKAN, Abdulazeez from the Rotaract Club of Gbagada South led the ROTARY GRACE while Rotr. IBRAHIM, p Inumidun from the Rotaract Club of Ikoyi took us through the four way test of the things we think, say or do.

The DRR started his welcome address by recognizing the DRRE, PDR, CMPs and all Rotaractors present, he proceeded to appreciate every Rotaractor who gave their supports in creating evergreen moments through the Rotary year. He reminisced the past months, he mentioned that there have been a lot of great moments together and of course, it wouldn't have been possible without everyone involvement.

He iterated that all he would loved to say have mostly been said in his monthly address note (a fantastic channel of communication that have proven effective) and as well in the monthly newsletters.

The DRR gave a remarkable update on the TRF achievement. The District has recorded over 3,000 Dollars contribution to the Rotary Foundation this year. He further emphasized on the success of the District Conference and he promised rotaractors the best ever Rota-Cultural fiesta with other projects in the pipeline. He further assured that the soon to be unveiled Award and Dinner event will be fun filled.

The DRR encouraged everyone to donate to the Rotary Foundation as the District has set a target of 5,000 Dollars which we look at achieving.

INSIGHT ON THE JOURNEY SO FAR
The District Rotaract Representative, Rotr. Ayodeji Ezekiel SOBOWALE said a lot have been achieved some of which are stated below;

1. ADMINISTRATIONS

The district have had 7 programs;

Installation, Membership seminar, Great Trek, TRF seminar, Family of Rotary, Rotaract week and District Conference.

Still to come we have Rotaculture and award dinner.

M e m b e r s h i p a n d N e w C l u b development;
Total number of Rotaractors: 1,358
6 news clubs have been chartered

TRF: 3,000+ Dollars donated and 14 Clubs already qualified for Rotaract Giving Certificate

2.SERVICE PROJECTS

The district have executed projects in the following Rotary's areas of focus;
-Supporting the environment
-community economic development
-Peacebuilding and conflict prevention
-Disease prevention and treatment
-Basic education and literacy

Still to come maternal and child Health project and complimentary Basic education project in Partnership with clubs in District 9110.

He mentioned that the district is looking forward to have partnership with clubs for global grant water and sanitation project and the district have partnered with Lagos State Government, Rotary District 9110, Rotaract Clubs, Zones and Areas.

3.AWARDS AND RECOGNITION

The district have received certificate from RI for participation in Rotary Day of Service

We have consistently produce monthly newsletter without missing any month

He said the above are facts and figures so far and if there are others to be included, he will definitely add in due time.

The Rotaract District Membership Chairperson and District Rotaract Representative Nominee, Rotr. ABISOGUN, Mujib from the Rotaract Club of Maryland gave some words of encouragement to the DRR. He appreciated the success the current administration have recorded. He extended his appreciation to the TRF team and gave kudos to the district on

the success of the donations to the rotary foundation. He charged that we can do better in the last few months and encourage everyone to donate their cent to TRF.

The DRR in response appreciated the DRRN for his contribution. He mentioned that TRF has become a major project as far as D9110 is concerned because that's the least we can do to better our clubs for more impactful opportunities.

He assured that the donations will further increase as he remains optimistic. He gave all of the credits to Rotaractors.

C H A L L E N G E S T H E ADMINISTRATION HAVE FACED

The DRR said one of the challenges is the inability to meet the targeted \$5000 donation to TRF. He charged that our \$2, \$3, \$5 would go a long way in making this target achievable. He quoted the saying "A little drop of water makes the mighty ocean."

He says the other challenges are what the district have always been facing.

1. Late registration for events
2. Reluctance to do basics on rotary.org which seriously pose challenge and causes data fluctuations.

The positive is that, awareness on these challenges is becoming pronounced and gradually, things would change.

He added by saying;
There misconception at times when the District invite clubs for partnership. Many feels the district wants to extort them or seek favour meanwhile the district is only doing the basic and performing her duties i.e bringing clubs together for fellowship and service.

The district have information and platform to enhance collaboration for clubs to come together for bigger and better impact.

He charged that whenever clubs get a call from the district to participate in an idea, they should see it as a privilege to further expand the impact of their club beyond its current state.

QUESTIONS AND ANSWERS
Rotaractors were given the platform to ask questions from the District Rotaract

Representative

Rotr. SOLIU, Olarenwaju from the Rotaract Club of Ikoyi. asked what are the challenges the district is facing as regards projects and events and what advice does the DRR have for clubs.

The DRR responded that person ally, he prefers partnership/collaboration. Although, it was hard at the beginning but thanks to the project chairpersons for their tenacity to properly convey the idea when required.

He advised that clubs should set more realistic plans for their projects.

Rotr. ELETO, Isiak Kolawole from the Rotaract Club of Agege asked the following questions:

1. Can you name a person who has had a tremendous impact on you as a DRR? Maybe someone who has been a mentor to you? Why and how did this person impact your life and journey as a DRR? . The DRR responded saying GOD.

2. What is one characteristic that you believe every leader should possess?. The DRR responded saying PATIENCE.

3. What is the one behavior or trait that you have seen derail more leaders' careers?. The DRR Responded saying PRIDE.

4. What are few resources you would recommend to someone looking to gain insight into becoming a better leader?. The DRR responded saying Bible or Quran. They never fade nor outdated.

5. What is that one thing you have in plan as a DRR and yet to achieve? . The DRR responded saying "maybe at the end of the year, I will be able to answer it properly but for now, it is only the TRF target of 5,000 Dollars."

At the end of the Questions and Answers, the DRR gave a closing remark. He says it has been a great time having everyone around.

He charged that we started strongly and we are breaking grounds in togetherness.

The only way we can finish strongly is to ensure our characters, activities and ideas are changing lives.

The session was adjourned by Rotr. Jephtha O. Benson from the Rotaract Club of Ijebu Ife.

DRR VISIT TO ROTARACT CLUB OF KINGFARM

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but the attempts he make towards growth.

On the 24th day of April, 2022, Rotaract Club of King Farm for the first time since their charter took the bold step to host the District Rotaract Representative and his entourage on an official working visit for the Rotary calendar year.

The DRR, Ayodeji Sobowale who in his capacity acted as the District board chairman and members of the district board present kick started the historical visit with meeting with the apex decision making of the Club, the Board of directors. This meeting availed the chair a glimpse as to how the club has been faring, their lapses and how to work on it, prospects they should be working on and most importantly, appreciated the Leadership of the club for taking the bold step.

In his words, DRR's visit is not meant to castigate or rubbish whatever it is a Rotaract club has done rather, it is an

opportunity to challenge one's self as a club on how to do better whilst sharing idea for the sustainability of the club. He

into Rotaract club of King Farm. This implies that the club has outdone her membership recruitment quota for the year. The DRR Ayodeji Sobowale, DRRE Afolabi Abdullahi, Rotary Club of Mushin Golden Youth chair, Rotn. Hammed Rauf, PDR Rotn. Yomi Sobowale inducted the new Rotaractors and charged them on best practices.

as well, congratulated the club's President for setting precedence.

The DRRE in his own words expressed how elated he was to be part of the history, he emphasized on the need to leverage on all the suggestions and recommendations earlier passed by the board chair and wish the club's Leadership well for the bold step.

The major highlight of the visit is the induction of four (4) new Rotaractors

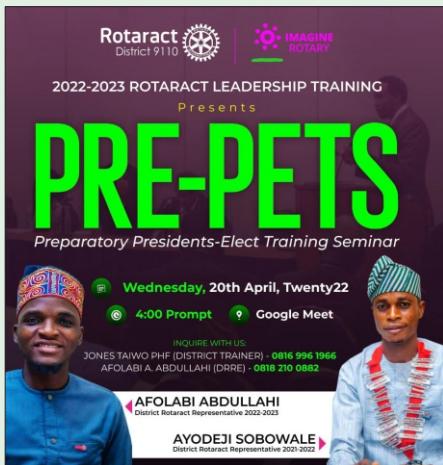

The Change Maker President, Rotr. Atitebi Ismail Abiodun in his address appreciated everyone present starting from the District Board Members ably led by the D R R , Rotarians, Rotaractors, friends and guest. He assured that the club is on a quest to become an enviable club in the district and they aren't resting on their oars anytime soon.

ROTARACT CLUBS COLLABORATED TO BUILD ROTARACT AWARENESS SPACE AT ROTARY CENTRE

The fourth council meeting was remarkable and once again the Rotaract District experienced the impact of collaborative effort during council meeting recess when the District Rotaract Representative Ayodeji Sobowale was led to the Rotaract space project at the Rotary District office for commissioning of the Rotaract Awareness space done by the collaborative effort of some Rotaract Clubs, namely; Rotaract Club of Abeokuta, Rotaract Club of Orile Iganmu, Rotaract Club of Ojodu Ambassadors, Rotaract Club Ijanikin Central, Rotaract Club of Lagos Mainland and Rotaract Club of Egbeda.

The DRR in his address appreciated the clubs involved and also acknowledged the efforts of all Changemaker Presidents. The DRR shared the story behind release of the space and approval granted by the amiable Changemaker DG, 'Remi Bello.

The space simply now afford Rotaract to showcase our activities and events on the board space just like the Rotarians do.

There was general appreciation to the District Governor for yet another laudable gesture that will enhance Rotaract activities and promote Rotaract image.
