10

Meet the DRRN 2021-22

11-12

## of things we think, say or do:

1. Is it the truth?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIARY to all concerned?

### PURPOSE AND GOALS OF ROTARACT

The purpose of Rotaract is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service.

#### *The Goals of Rotaract:*

1. To develop professional and leadership skills;
2. To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
3. To provide opportunities for young people to address the needs and concerns of the community and our world;
4. To provide opportunities for working in cooperation with sponsoring Rotary clubs;
5. To motivate young people for eventual membership in Rotary.

I welcome you all to the new month of February.

Its my pleasure again to bring to you the February edition of our newsletter. As usual, its loaded and informative with happenings around the District.

Thank you for your support always.

Happy reading!

**PP Tayo Tiamiyu**  
*Editor-in-Chief*

# DISTRICT ROTARACT REPRESENTATIVE'S MESSAGE

FOR THE MONTH OF JANUARY  
(PEACEBUILDING AND CONFLICT PREVENTION MONTH)

**D**earst Changemakers,

I welcome you to a new month. It is my pleasure to address everyone again and I am very positive that you are reading this with a perfect mind. So join me to thank the Almighty for the gift of life.

One thing life thought me in the last month was the fact that it is never too late to begin a new thing; I had the first hand terrible experience in the days of year 2022 but one beautiful thing is that I was not deterred nor afraid to have a fresh start and now I am waxing stronger.

The theme for the next Rotary year has been unveiled IMAGINE ROTARY- it is such a beautiful and inspiring theme for entire Rotary family. I congratulate all the incoming leaders as they prepare to steer the wheel of leadership come 2022-23.

## DISTRICT UPDATES

The DRRN Nominating Committee screened the two interested candidate that picked nomination form. At the end of the screening process, the two Rotaractors emerged as the qualified candidates. They are;

1. Rotaractor Taiwo Oladosu  
(Rotaract Club of Akowonjo) and

2. Rotaractor Mujib Abisogun  
(Rotaract Club of Maryland)

I, on behalf of the District wish them the best of luck.

The Rotaract District had an impactful fellowship with biggest RYLA participants in the history, the fellowship afforded us to promote Rotaract to the participants and it was a strategic effort that yielded as we now have quite a good number of RYLA participants attached to clubs at proximity to their homes/schools.

The third council meeting was held on Saturday 22nd January, 2022. It was a great moment for council members and District board to discuss the programs and activities that are ahead in the coming months. I also was able to give factual update about the current state of the District as well as Districting.

Our membership record has been consistently fluctuating; I understand clubs have started removing inactive members in preparation for the next Rotary year when Rotaractors will start paying dues. Sanitizing the membership record is a right step, however, I want to encourage clubs to also strengthen more by recruiting new members into the family.

## Projects Update

The 3-month vocational training organized by the District ended yesterday. It was a well planned project that will make generational impact. A total of 403 participated and over 200 passed the practical exams. I am particularly so excited that Rotaract has lifted at least 200 young people out of unemployment by teaching them how to fish.

Since Rotaract is now a membership type of Rotary, it is important

to also participate in key Rotary activities, hence, the final phase of the project shall be done on 23 February, 2022 in commemoration of Rotary day of service where Lagos State Government shall be presenting certificate to over 200 graduating participants.

I am particularly excited because the project had 48,360 man hours; arguably that is the highest man hour on the project in the District history. It also simply means, the project really optimized Human Resources and skills.

As part of the requirements by the Rotary day of Service Committee, we have written to the Rotary District for partnership to empower the best candidate in each vocations across the three vocational centers and discussions are ongoing to make larger impacts.

Let me on behalf of the District also appreciate our amiable change maker District Governor who have shown positive response and interest to be part of the project.

February is a month designated for Peacebuilding and Conflict Prevention. Clubs are to take initiatives of the current state of nation and carry out projects that are of great impacts to our communities because the peace of community is the peace of nation.

The District Peacebuilding and Conflict Prevention Committee under the Chairperson PP Bukola Iwaloye is also planning Peacebuilding project. Further details shall be dissected as and when due.

In preparation of the World Rotaract week, the Rotaract week Committee has scheduled Pre-Rotaract Week Seminar. The pre-seminar will be a thorough information dissemination about Rotaract and the expectation of the District from each Clubs concerning the week. The online event will hold on Wednesday 9th February, 2022. All clubs are hereby urged participate in the pre-seminar.

The election for District Rotaract Representative-Nominee is scheduled to hold on Saturday 19th February, 2022. I want to urge all to embrace peace as the District decides.

The registration for District Conference is ongoing, clubs should endeavor to register for this top notch event. I received positive news yesterday from one of our conference partners and Conference Chairman also gave me positive updates from some individuals. Dear Changemakers, I am made bold to tell you this year conference comes with evergreen experience. Please register and encourage others to register.

As we proceed in the act of service to humanity in this month, I bid you and yours peace.

Remember, let us ensure we serve to change lives

# ROTARY INTERNATIONAL PRESIDENT'S MESSAGE FOR THE MONTH OF FEBRUARY

**A**t the start of the Rotary year, I challenged every club to plan and host at least one practical and action-oriented Rotary Day of Service. The event should address a challenge your community is facing that fits into one or more of Rotary's areas of focus and should bring together volunteers from within and outside of Rotary.

Rotary Days of Service can motivate Rotary, Rotaract, and Interact clubs to plan innovative and impactful projects. They can showcase your work as people of action and introduce prospective members to your club.

I've been inspired by your response so far, and I want to share with you just one project that has captured my imagination.

India is home to an estimated 74 million people with diabetes, a disease that is a

leading cause of death. Furthermore, about 50 percent of those people remain undiagnosed.

Rotary, together with the Research Society for the Study of Diabetes in India, saw the urgent need to diagnose, track, and treat people who have diabetes. Working together and with other organizations, we hosted a nationwide blood glucose testing camp on 29 September, which is World Heart Day.

The camp was spread across more than 10,000 sites in India, with more than 2,000 Rotary and Rotaract clubs participating in the effort. More than 1 million blood-sugar tests were conducted in a day, an accomplishment recognized by the Asia Book of Records. But more important than breaking a record is the fact that tens of thousands of people learned that they may be living with diabetes. They can now be

treated for the condition, and they also have been made aware that they should take extra measures to shield themselves from COVID-19 and scores of other diseases that are caused or worsened by diabetes.

This month, on 23 February, the anniversary of Rotary, let us celebrate with more service days, showcasing Rotary's work in our areas of focus. I look forward to hearing about your Rotary Days of Service. Please share your projects on Rotary Showcase, or browse that webpage to find inspiration and project partners. In particular, I encourage you to execute projects that focus on empowering girls, as they have been disproportionately affected by the pandemic. The Empowering Girls initiative is resonating very well with members of Rotary as well as with non-Rotarians. The governments and NGOs in various countries are appreciating this meaningful effort. Let us keep focusing on it.

I am also happy that the Each One, Bring One ethos is bringing fruitful results. Let us ensure that all club members introduce at least one person to Rotary, and that we then all work to engage new members and keep them in our clubs.

In whatever we do, remember that we must push ourselves to grow more, do more as we Serve to Change Lives.

**T**ime waits for no man'

We are in the month of February, the eighth month of the twelve months' year. A new theme for the coming Rotary year is announced by the RIPE Jennifer Jones - Imagine Rotary, this simply speaks volume that time waits for no man.

Nevertheless, the Change Maker year is still much around, there is still a lot to accomplish, I once again challenge you my Change Maker Rotarians BEAT THE CLOCK.

We had the month of January full of activities that one may not forget in a hurry.

Our novel DG speaks continued during the month. It was a well-received feedback mechanism by our clubs and Rotarians. We shall continue to engage our clubs and Rotarians.

It is the month we had the first ever largest gathering of 670 Rylarians in our district. RYLA took place between 7th and 15th January, 2022. It was a well packaged

# DISTRICT GOVERNOR'S MESSAGE

FOR THE  
MONTH OF JANUARY

training for our youths. First time we introduced discussion on how to be a Nigerian and role of youths in nation building. The Chairman, PP Dare Adeyeri and the Committee members deserve special commendation for handling such large gathering of youths and facilitators

"...AND THE NEW ROTARY  
THEME IS OUT?"

of about 900 people for ten consecutive days.

The month of January is Vocational Service month. In addition to activities at club level, the District concluded the month with a Seminar tagged Promoting Ethics in Business and Professions. It was a well packaged Seminar by the Committee under the Vocational Service

#### DG message contd.

Committee Chairman - PAG Kayode Odebose and Ethics in Business sub-committee Chairman - PP Kehinde Ayo-Kasumu. Pastor Ituah Ighodalo was the Guest Speaker, there is no way Ethics would be discussed in this clime without discussing the Nigerian nation. The Guest Speaker advised that Rotary should spread our 4-way test across the length and breadth of the Country. He believed if the nation could be guided by the tenets of the 4-way test our Country would be better run. The Seminar was well attended both in-person and virtual. May I use this opportunity once again to appreciate the Committee, the Guest Speaker and in particular the sponsors of the event.

We finally started the District Economic Empowerment Programme (DEEP). The first set of the programme beneficiaries; sixty of them were given their letters of offer by the fund manager, M/s Seedvest Ltd. for the micro credit loan in the sum of N100,000 (One hundred thousand naira only) repayable after 6 months. The beneficiaries were sponsored and guaranteed by the Clubs and Rotarians. The District plan is to issue another two sets of the loan before the end of the Change Maker year.

#### Adopt a School project (WASH)

This legacy project whereby clubs are expected to adopt a public primary school in their community with a view to provide Water, Sanitation and Hygiene under TRF global grant. Very few clubs have shown interest in the project and issue of International partner is another huddle we are yet to cross. Nevertheless, the project will still be executed even if to scale down the number of schools to be adopted in case the expected global grant could not be accessed.

I am pleased to report that the District Nominating Committee under the Chairmanship of the IPDG Bola Oyebade received nine nominations from our clubs and conducted screening and interview for the candidates. The committee finally selected PAG Femi Adenekan of Rotary Club of Gbagada South as the best and most suitable candidate for the office of District Governor for our District or such District as may be applicable in 2024-2025 though the selection is still open to challenge in line with provisions of the Manual of Procedure.

February is a special month in the Rotary calendar because it was on the 23rd of February, 1905, a Chicago attorney, Paul Harris, along with three of his friends, Gustavus Loehr, Sylvester Schiele and Hiram Shorey, gathered in Loehr's office in Room 711 of the Unity building in downtown Chicago for what became the first Rotary club meeting. February 23rd, is celebrated as Rotary's anniversary. In the Rotary calendar it is called the 'World Peace and Understanding Day'. As we have been charged by the Rotary International Change Maker President that we celebrate Rotary Day of Service specially this Rotary year by doing more

of service project, do more of collaboration, do more of partnership and do more of community engagement. Our various Clubs have been living up to these charges with various events organized in our communities the climax of which will be the event being planned for 23rd February, 2022 across Lagos and Ogun States by the District Rotary Day of Service Committee under its Chairman, PP Biodun Oshinibosi. It promises to be an hand-on event by Rotarians and meant to show case Rotarians to be people of action and subsequently grow Rotary as charged by the RI President - Shekhar Mehta.

In the Rotary calendar, February month is the 'Peace building and Conflict Prevention Month'. The District Committee for the World Peace and Understanding Day is looking at the positive side by emphasizing Peace building and conflict prevention than conflict resolution. The committee under its chairman - PP Yemi Oshilaja has scheduled a Seminar for the 24th of February since the 23rd is already scheduled for Rotary Day of Service in our District. The topic to be explored is to look at our clubs and available instrument in place to promote peace and prevent conflict within our organization - Rotary.

The District is planning its annual TRF Fund Raising Dinner for 19th of February, 2022 at the Muson Centre with a new concept. All payments for tickets and advertisement will go directly to individual Rotarians' TRF account. The Committee in charge being led by PP Adeniyi Adelaja is planning to raise fund to be supported by the District for the entertainment aspect of the programme.

I am glad to report that we have submitted our District request for the splitting of our District into two. I am hopeful that our request would be favorably considered by RI Board very soon. May I use this medium to thank and appreciate our leaders, clubs and Rotarians for the confidence and trust reposed in the leadership of the District by your YES votes and strengthening of clubs to meet up with the minimum requirements for Districting. It may be necessary I state that RI Board's approval is the first step in our move to split by 1st of July, 2024, we are still required to continue to grow our membership not to fall below our submission during the transition period.

#### DG's VISIT TO CLUBS

As at close of January 2022, a total of 95 Rotary Clubs were visited. The club visits continued to provide clubs the elixir required to energize them as the visit was made to be full of fun, motivational, inspirational and knowledge sharing. I thank all those clubs that received the DG's visit team and those that are looking forward to receive the team. It may be necessary we remind those clubs that are not working towards receiving the DG's visit, your attention is hereby drawn to RI Code of

Policies released in August 2021, your club's failure to receive the DG's visit or cooperate with the District would make your club to be classified as non-functioning club and may be opened to invitation for discussion with the DG and see how your club can be made a functioning Rotary Club.

2022-2023

#### Training Programmes

From 7th February, 2022 training of Rotary Officers, starting with virtual International Assembly for the District Governors-elect shall commence. This will be followed in our District with DTTS on the 26th of February, 2022 and Presidents-elect Training Seminar (PETS) and DTA between 25th and 27th March, 2022. I encourage our would-be officers to take the trainings with all seriousness they deserve. My experience has shown that Rotary knowledge at Clubs and among Rotarians are below expectation. Ordinarily, in Rotary no officer should take office without taken necessary training. I wish my District Governor-elect, Rotarian Omotunde Lawson a successful International Assembly, and also I wish all our future leaders all the best in the coming year.

#### District Conference (DISCON) 2022

DISCON 2022 is fast approaching. Information at my reach shows that we shall have a conference like never before in terms of networking, fellowship, fun, motivational and inspiring speakers. The preparation so far is very encouraging. The conference will afford us the opportunity to dance from a first class life-band musician in our land.

**ON TO HOUSTON CONVENTION 2022**  
It is no longer news that the Houston Convention 2022 is to hold between 4th and 8th June, 2022 in Houston, Texas, USA. There is a ray of hope that the US embassy will open opportunity for dropbox with effect from the month of February, we are hopeful that many Rotarians with travel history will have the opportunity of renewing their visas and attend the convention.

The On-To-Houston Convention Committee of the District, under its Chairman - PAG Niyi Adesanya is going ahead with the necessary plan to receive the attendees at the convention. As I promised in my last address, I want to assure all attendees, once again, of special treatment as I will personally be on ground to receive all in the company of the Committee Chairman.

"Together we can, together we will".

Let me end this address by saying that I cannot thank you enough, on behalf of myself and my wife - Nike, for the support and plead that it is not over until it is over, the clock is still begging to be beaten, let us continue to beat the clock and be the confirmed 'change maker' as we serve to change lives'.

# 177 PARTICIPANTS GRADUATED FROM ROTARACT 3-MONTH VOCATIONAL PROJECT; EMPOWERS 14 BEST TRAINEES TO COMMEMORATE ROTARY DAY OF SERVICE

The graduation ceremony of 177 certified vocational skills trainees was held 24th February, 2022 at Rotary Centre Ladoke Akintola GRA, Ikeja, Lagos State.

The vocational project was in partnership with Lagos State Agency for Mass Education in which 3 Vocational Training Centers were released for Rotaract District to train people in 6 different vocations; Catering, Fashion Design, Hairdressing, Makeover, Cosmetology and Digital skills.

Also, in commemoration of Rotary

Day of Service, Rotaract District Partnered with Rotary District to empower some of the trainees who emerged best in their respective skills.

Some of the equipment include; laptop, gas burners, sewing machines, make up box, hand dryers.

At the graduation event, in attendance were the District Governor Remi Bello, District Governor-Elect Omotunde Lawson, Permanent Secretary- SA to the Lagos State Governor Mr Waheed Kasali, The Director, Agency for Mass Education Mrs Kemi Kalesanwo, The Youth Service Chairman PAG Saheed

Rasheed, Members, Council of District 9110 DRRs, Rotarians and Rotaractors.

The District Governor Remi Bello applauded the project initiative and spearheaded the presentation of the certificates and equipment to the best trainees while the Permanent Secretary, SA to the Governor on Education and the Director, Agency for Mass Education appreciated the Rotaract and Rotary for aligning with THEME Agenda of Lagos State Governor, Babajide Sanwoolu to impact communities.

# ROTARACT JOINS MARCELLE RUTH HOSPITAL AND OTHER ORGANIZATIONS FOR CANCER AWARENESS WALK

Cancer is a disease that not only kills the patients but paralyses the family. The walk against cancer is an effort to ameliorate cancer in the community. Rotaract District 9110 assembled about 30 Rotaractors to participate in Cancer Awareness walk organized by Marcelle Ruth Hospital in conjunction with several business and humanitarian

organizations. The walk started at 7:30am at State House, Marina and ended at the Marcelle Hospital, Victoria Island, Lagos State. The 2hours walk involved display of banner, fliers and branded merchandise to demonstrate cancer awareness. The event ended with photograph session at the red carpet provided at the Marcelle Hospital.

**I**t was a great privilege and delight that the leadership and members of Rotaract Club of Akute, District 9110, received the District Rotaract Representative (DRR), Rotaractor Ayodeji Ezekiel Shobowale and his entourage on Sunday, February 6th, 2022.

The club hosted the number one rotaractor in the district at the usual meeting venue at Ultra International School, Martins Busstop Alagbole Akute road, Ogun State.

The Youth chairperson Rotn. Matthew Adubi and also Rotn Tayo Adigboluwa of Rotary Club of Akute came to honor the Club, the visitation was productive and successful

The business of the day kicked off with a brief session followed by the board meeting which started at exactly 3:40pm.

The DRR assessed the club's document and other relevant records and encouraged the club's president, Rotaractor Omowunmi Adeajo-Komolafe and the board members on heightened diligence and efficiency in their respective duties and also encouraged them to work on the club's membership so as make Rotaract known in their

community. He also told the Immediate past president and other board members to support the president since the club is for everybody.

The DRR also encouraged the board members to always participate in district activities.

Few words of advice also came from the Rotarians.

Subsequently, the president, Rotaractor Omowunmi Adeajo-Komolafe rang the bell for fellowship session at exactly 5:50 pm and fellowship ended at exactly 6:30pm

**A**t exactly 4:45pm DRR call the Board meeting to order

**y** Membership: The DRR advised on doing project in our surrounding community that can also have effect on young people in order to get more members, Example like Medical outreach and a Rotaract sign (4way Test) Documentation: The DRR stated we should try to get a club book that can last for years to keep records and archive of the club alive.. The DRR also mentioned we should work on the club structure and updating of our records

The DISCON chair in person of Rtr AFOLABI ABIOLA, gave his advise on how to get members by doing awareness Trek in the community and he also encourage the

club to do more to register for the upcoming district conference, which he share little of how the conference will be a top notch experience..

DDR appreciate the president on how much effort he has shown in the district level and also in the club growth. The DRR appreciate everyone present at the board meeting.

At exactly 5:40pm the board meeting ended and immediately the club fellowship started..

At exactly 5:50pm the meeting was called to order and the Rotary grace was shared..

Rtr Ogunbiyi Oluwaseyi the IPP of the club (Rac club of Lagos mainland) took the four way test while Rtr Adenuga Esther took the purpose and goal of Rotary..

The president appreciate the DRR for the words of wisdom and encouragement given

to the club and members..

And also appreciate the district board present.

RTN ASHANIKE donated a sum of #1000 to sponsor a Rotaract song while others supported massively and everyone shared and enjoy the song..

The DRR gave his speech and encourage the club more on our membership strength and standard and he appreciates everyone one present.

IPP Ogunbiyi Oluwaseyi took the toast and the Nigeria pledge was recited..

At exactly 6:37pm the club meeting came to close.

**I**t was with great ecstasy and delight that the leadership and members of Rotaract Club of Iju-Ishaga, District 9110, received the District Rotaract Representative (DRR), Rotaractor Ayodeji Ezekiel Shobowale and his entourage on Sunday 13th of February, 2022 with a Service Project tagged: Feed The Beggar's Project at Railway station at Agege by 3:00pm same day.

The club then proceeded to host the Number One Rotaractor in the district at the meeting venue: Climax Hotel & Suites, Balogun Bus Stop, Iju-Ishaga.

In our midst, we have the Club Adviser who is also the Youth Service Chairperson and a PP of Rotary Club of Olambe in person of Rotarian {PP} Adefowope Olanrewaju from our sponsor club, also in attendance are the following CMPs:

Change Maker Captain who is also a fellow President, Rtr. Akanni Damola from Rac Olambe,

Rtr. Tomisin from Rac Agege who had come to honor the Club, the visitation was successful and fruitful.

The business of the day kicked off with a brief familiarization session followed by the board meeting which started at exactly 4:00pm.

The DRR painstakingly and analytically assessed the club's document and other relevant records and encouraged the club's President, Rotaractor Atibor Cynthia Aloaye and the Board Members on heightened diligence and efficiency in their respective duties.

Subsequently, the President, Rotaractor Atibor Cynthia Aloaye rang the bell for fellowship session at exactly 6:10pm and it ended around 7:45.

In his closing remarks, Rotaractor Shobowale harped on the need for the club to work on a sustainable growth plan and membership drive for the club just as he expressed his commendation for the club's league of past presidents.

Rotr. Cynthia appreciated the DRR and his entourage for his visitation with words of assurance of executing the various recommendations.

## DISTRICT ROTARACT REPRESENTATIVE NOMINEE (DRRN) ELECTION FOR 2021-2022 ROTARY YEAR

**A**t exactly 10:00 AM Saturday 19 February 2022, the accreditation of delegates for the election started and was a smooth process. A total number of 61 clubs were accredited out of the supposed 64 clubs in good standing for the election, leaving 3 clubs out of the process.

Voting started at noon with an address from the committee chairman, Rtn Adedayo Akinbobola.

The 61 Delegates cast their vote successfully without disruption and the counting of Ballot followed to ascertain the result of the election. After the count:

Rtr Oladosu Taiwo Olamiposi of Rotaract club of Akowonjo had a total number of 26 Votes.

Rtr. Abisogun Olamidekan Mujib of Rotaract club of Maryland had a total number of 35 Votes

OLAMILEKAN MUJIB of the Rotaract club of Maryland having secured the highest number of votes after the process is hereby declared the winner of the D9110 DISTRICT ROTARACT REPRESENTATIVE NOMINEE ELECTION FOR 2021-2022 ROTARY YEAR.

The election process was witnessed by members of the District Rotaract Committee.

R T R . A B I S O G U N

# Meet the DRRN 2021-22

**R**otaractor Mujib Olamilekan PHF was born two decades and some years ago, he had his primary education at Maryland primary school and his secondary school education at Community high school, wasimi Maryland Lagos. His love for biological sciences prompted his decision to study Biochemistry at the better by far university, the university of Ilorin, and he proceeded to the University of Lagos for his postgraduate studies where he bagged his M.Sc degree in cell biology and Genetics (Genetics).

He has vast experience in Sales and customer service in the telecommunications industry. This he acquired while working as a Sales executive for Globacom Nigeria Limited. Presently, He is a product specialist with ISN products Nigeria Limited. He handles the Lifescience portfolio detailing ILLUMINA NGS (Next generation Sequencing) and Merck Sigma Aldrich (Molecular) solutions to research and diagnostic centers in Nigeria like 54gene, ACEGID (Africa Centre for Excellence in Genomics and Infectious Diseases), NCDC (Nigeria Centre for Disease Control), IHVN (Institute of Human Virology, Nigeria and other West African and Central African Countries.

Rtr. Mujib encountered Rotaract while he was in secondary School but never gave attention to it. He decided to join the family after a lengthy discussion with an amazing rotaractor who was able to convince him about what the
