of things we  
think, say or  
do:

1. Is it the truth?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIARY to all concerned?

## PURPOSE AND GOALS OF ROTARACT

The purpose of Rotaract is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service.

### *The Goals of Rotaract:*

1. To develop professional and leadership skills;
2. To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
3. To provide opportunities for young people to address the needs and concerns of the community and our world;
4. To provide opportunities for working in cooperation with sponsoring Rotary clubs;
5. To motivate young people for eventual membership in Rotary.

# DISTRICT ROTARACT REPRESENTATIVE'S MESSAGE

FOR THE MONTH OF MARCH

(WATER, SANITATION AND HYGIENE MONTH & ROTARACT DAY)

**A**t one of the event during the last weekend; a brief conversation ensued and I was asked what are the benefits of Rotatact? I couldn't think of any other thing than the responsibilities that has built my leadership skills.

Every stage as a Rotaractor comes with it's own responsibilities which equally build our skills. The benefits that come from being a Rotaractor are enormous, your qualities make you relevant and versatile amongst peers. Thanks to Rotaract!

I welcome you all to the month of March. The month that birth the charter of the first Rotaract in the whole world.

Let me do a quick wind down of the February activities for the District to refresh our memories:

## DRR VISIT

Three more Clubs were visited in the month of February. For me, it was a tasking adventure full of experience while clubs were assessed based on available documents and also advised based Rotary International Policies.

## DISTRICT ELECTION

The Nominating Committee conducted election for the 2021-22 DRRN. The election saw the emergence of Rotaractor Abisogun, Mujib Olamidekan as District Rotaract Representative-Nominee for this Rotary year. I extend my best wishes to the DRRN while also thanking all the delegates and the committees for peaceful conduct that recorded success of the electoral process.

## SERVICE PROJECTS

Thursday 24th February 2022 has become historical day for Rotaract District. The District graduated 177 vocational skills trainees of our 3-month vocational project.

In commemorating the Rotary Day of Service, the graduation event which was held at Rotary District center saw 14 best trainees empowered with equipment to drive their aspirations and established themselves economically. Also, the Rotaract District aim of making tangible impact was achieved when Certificates were presented to all the trainees by Lagos State Government.

One beautiful thing that never struck me was the correlation of the vocational project with the Peacebuilding and conflict prevention until when the Changemaker District Governor 'Remi Bello was addressing the participants and deeply analyze the importance of economic empowerment in preventing conflicts in homes and society.

In a simple term, a hungry man is an angry man, therefore, feedbacks and commendation from individuals and families have been so great and fulfilling.

I specifically appreciate the adhoc committee for this project. I thank The District Service Project Chairman, PP Lanre Fadipe and Zonal Representative for this Changemaker year, PP Yewande Adewunmi for stepping in and working assiduously towards the success of this project. Big thanks to you!

Let me further register my appreciation to the Changemaker District Governor, 'Remi Bello for the swift and change-making partnership that epitomizes the Rotary-Rotaract relationship. I can not forget the background support of the Council of District 9110

DRRs; they are jewel to any leader.

March according to the Rotary Calendar is designated for Water, Sanitation and Hygiene. Water is essential for life but access to clean water is key and personal hygiene contributes to the total well being.

Cleanliness is next to Godliness, the positive effect of sanitation in community is innumerable. Rotaract clubs are urged to execute service projects to improve individual homes and communities at large.

The District is open to share all information, ideas and networks to aid clubs' projects and maximize project impacts.

## UPCOMING EVENTS

### ROTARACT WEEK

The world will commemorate the charter of the first Rotaract Club on 13th March. Rotaract as a platform for young people to build leadership skills will be celebrating 54years of existence; not only existing, the well structured platform has been impacting young people around the world, building leaders to address the needs of the communities.

Rotaract Africa is also dedicating this year Rotaract week celebration to ONE ROTARACTOR ONE TREE project. A project which encourage each Rotaractor in African region to plant a tree to support the environment.

At our District, we shall be joining the rest of the world to also celebrate the Rotaract week by setting aside week long activities ranging from Media tour to symposium and hangouts.

The Rotaract week Committee ably led by the erudite Rotaractor, Charter President Fathia Adekeye shall be rolling out the itineraries for the schedule of event and project coordination for the celebration of Rotaract week. I so much trust the committee and I urge all Rotaractors to support and participate in the activities.

### 38TH DISTRICT CONFERENCE

Our much anticipated District Conference is just 23days away. The committee are connecting the dots and the Conference Chairman PP Afolabi Abiola has promised a whole lot of new experience capable of making positive memories.

On 24th March, we shall all converge at Digital Bridge Institute, Cappa, Oshodi to have discussion on matters ranging from Rotaract to personal development. Registration is still ongoing.

I want to specially urge all conference participants to as a matter of urgency subscribe to the accommodation. Conference venue accommodation is one of the best and safest way to ensure security of all participants through out the conference because late hour movement will be totally discouraged.

As we journey into the ninth month of the Rotary calendar, the clock says it is the last month of the third quarter. There is so much to be done, your club can achieve a lot in contributing to The Rotary Foundation, service projects and citation goals.

Join your to march to make impact as we serve to change lives

Happy new month of March!

# ROTARY INTERNATIONAL PRESIDENT'S MESSAGE FOR THE MONTH OF MARCH

We have overcome so many challenges these past two years and changed numerous lives. It brings me great joy that we have worked so hard this year to grow Rotary through the Each One, Bring One initiative. The result has been excellent growth in membership. Let us keep up the momentum. I am happy that you have put a spotlight on all we do by organizing projects around the world in our Rotary Days of Service. The future looks brighter than ever for Rotary and our 1.4 million members.

On 11 March 2020, the World Health Organization declared that COVID-19 constituted a pandemic, and two years later it is important that we continue to draw on our expertise in our disease prevention and treatment area of focus to help people worldwide cope with the continuing challenges. The pandemic continues to defy all expectations, but we cannot be frozen in fear. Our work is too important. It is also important that we make time for each other, and I urge you to register for the upcoming 2022 Rotary International Convention in Houston. It is a

great way for all of us to safely celebrate Rotary service.

We can continue to build hope and spread peace in the world by using our resources to help the most vulnerable and keeping our faith in the future. The pandemic has had an especially devastating impact on girls worldwide. On the first anniversary of the pandemic, Henrietta Fore, the executive director of UNICEF, said that "immediate action is needed to mitigate the toll on girls and their families." This need, unfortunately, remains just as strong a year later. The ripples of the pandemic have affected girls in unique ways — stunting their educational attainment, weakening their job prospects, and contributing to other terrible results such as child marriages and increased human trafficking.

Data from UNICEF reveals why our action is so essential. In the 2010s, important progress was made toward eliminating the practice of child marriage, and UNICEF estimates that 25 million such marriages were averted worldwide. Unfortunately, the pandemic

reversed those positive trends, and as a result an additional 10 million girls are vulnerable to becoming child brides by the end of this decade.

This is why our focus on Empowering Girls is such vital work, and I am delighted that at this year's virtual International Assembly, President-elect Jennifer Jones committed to continuing this initiative for another year. In my travels, I have witnessed many wonderful examples of club projects that back our Empowering Girls goals. But all Rotary members know that real change requires big efforts sustained over many years. This is the power of our global grants and actions taken within our areas of focus.

I encourage clubs to think of innovative ways to empower girls when designing their grant projects. Every step we take to improve education, health care, and economic opportunities for girls makes an important difference in helping them achieve their full potential. With opportunity we create hope, and with hope we address the root causes of conflict around the world, setting the stage for sustainable peace.

None of us know how long the COVID-19 virus will linger — and as an organization that has worked tirelessly for decades to eradicate polio, we understand better than most the difficult work that lies ahead for the world. That is why we need to remain focused on the future and on what is possible — not feeling nostalgic for the way our lives were, but looking hopefully to a future that uses this opportunity to Serve to Change Lives. I look forward to continuing this good work with you.

Here we are, the ninth month of our Change Maker Year is here. Is anyone still under the illusion that the time we have is unlimited? Time is the most deceptive resource you can ever think of as highly unlimited.

Welcome to the month of March, the month dedicated to Water, Sanitation and Hygiene (WASH), one of the areas of focus of The Rotary Foundation (TRF). Clean water is a basic need for human beings. Our clubs and even the Nigeria National Polio Plus Committee (NNPC) have continued to lead in provision of drinking water. Very few people die of thirst; millions die from preventable waterborne diseases, providing the impetus for our clubs to improve sanitation facilities in our communities as could be seen from various projects being commissioned by them.

May I appeal to our clubs to use this month to

# DISTRICT GOVERNOR'S MESSAGE FOR THE MONTH OF MARCH

continue to assist our communities in the provision of drinking water, hand sanitizers and sanitary pads for our girls among other things that we can do.

In February, which had 28 days, a few days

Tick, tick, ticks the clock

1, 2, 3, 4, 5, 6, 7, 8 AND 9...

less when compared to other months was never short of activities — it was a fully loaded month.

## DG's VISIT

To God be the glory, the curtain was drawn on DG's visit to clubs after visiting 109 clubs

#### DG message contd.

out of 129. The remaining 20 clubs have been invited to the District for the DG's visit in mid-March.

#### TRF FUND RAISING DINNER

The District organised The Rotary Foundation fund raising dinner on the 19th February, 2022 under a completely new model. The new model ensured that all payments by Rotarians and non-Rotarians were paid directly to The Rotary Foundation account.

Entry into the event was based on payment to TRF without separate entry fee to the event. The Chairman of the TRF Fund Raising Committee, Past President Niyi Adelaja and his members, did a great job with individual support while also mobilizing external support with donation of food and drinks.

The event had RI Endowment and Major Gift Advisor as well as Passion Queen, PDG Ijeoma Pearl Okoro, as the Guest Speaker and Fund Raiser. She displayed a sterling performance at the event. The sum realized was put at around \$140,000. I thank our Fund Raiser especially though I was not surprised; we knew what she is capable of when it comes to matters relating The Rotary Foundation.

Kindly permit me to appreciate our members for their trust and confidence in our ability to be innovative and for embracing the new model that could redefine how to handle TRF Fund Raising Dinner.

#### ROTARY DAY OF SERVICE

The peak of activities for the month was the Rotary Day of Service that was held on 23rd February, 2022, Rotary International Founder's Day. It was an event that was promoted almost a year under the Chairmanship of PP Abiodun Oshinibosi. It brought home the charge of RI President Shekar Mehta that we should do more of service projects, do more of collaboration, do more of partnership and do more of community engagement.

All these were put together in the event as our clubs were divided into twenty four clusters across Lagos and Ogun States. Our Rotary Clubs and Rotaract Clubs worked together, underscoring the spirit of collaboration, while also forging partnerships with government agencies.

It was a day Rotary presence was felt across the two states. There was significant press coverage of the event which was activated essentially as a public image tool.

May I use this opportunity to thank the Chairman and his committee members for a well-coordinated event. I also extend my sincere appreciation to our District Leaders, DGE, DGN, DGND and our PDGs for leading the initiative. The next stage of the RI President charge is to grow more as we reap the fruit of our labour in the Rotary Day of Service activities.

#### WORLD UNDERSTAND DAY AND PEACE CELEBRATION

Immediately after the Rotary Day of Service we had a seminar organized by World Understanding Day and Peace Committee under the Chairmanship of PAG Yemi Oshilaja. The topic of the seminar was, "Peace Building and Conflict Prevention" with special reference to our clubs. The lead discussant was PP Chester Apasi with PP Sunit Debroy – they both did justice to the topic and I am sure our participants at the Seminar -- both on-line and virtual -- had a good time

#### DISTRICT ECONOMIC EMPOWERMENT PROGRAMME

The second set of District Economic Empowerment Programme (DEEP) will be awarded during the month – similar to what we did when we gave out the first set of awards. This is in line with the District plan to issue another two sets of loan before the end of the Change Maker Year.

#### 2022-2023 TRAINING PROGRAMMES

Having completed her last training at the International Assembly, the next thing for the Incoming District Governor Omotunde Lawson is to come home and share the new knowledge by organizing the first training for the 'Imagine Rotary' Year at the District level.

The first training was the District Team Training Seminar which was held from 25th to 26th February, 2022. I am happy to report that it was a successful event. I congratulate the Incoming District Governor for a brilliant start. Let me also use this medium to congratulate our District Leaders, especially our District Trainer, PDG Kamoru Omotosho, and his team for very impacting sessions.

The icing on cake of the training was the Doyen who held us spell-bound with rich anecdotes and great insights during his presentation. After the RI President's address, the Doyen took to the podium and as usual, he mesmerised his audience. On behalf of all our Rotarians, I thank you sir and pray to God to spare you for many more years to come.

From the tone of the IDG's address, it may no longer be business as usual for unethical practices in our District. Promoting ethical standards and great values as leaders was also highlighted by Past Rotary International Vice President, Yinka Babalola. He cited the example of a past president who failed to give account of his/her stewardship and yet was looking forward to leading at the District level. The fact that we are volunteers does not mean we should not be accountable – integrity is a major core value of Rotary and we must be trustworthy always. What makes The Rotary Foundation the Foundation of choice, is trust.

I hope the new crop of leaders assembled by IDG Lawson will make our District proud by

behaving ethically so that we can be in a position to create that lasting change in our world and indeed in ourselves.

#### GOODWILL

I wish the incoming team a successful tenure. The next training is the Presidents-elect Training Seminar (PETS) and DTA between 25th and 27th March, 2022. I encourage our Presidents-elect and club officers to take the trainings with all the seriousness that they deserve. Acquiring Rotary knowledge is important for running an effective, functioning and vibrant Rotary Club.

#### DISTRICT CONFERENCE (DISCON) 2022

Preparation for DISCON 2022 holding from May 12 to 15, 2022 in Abeokuta is at an advance stage. I am pleased to note that the committee chair, PAG Lanre Adedoyin, has assured me of a wholesome experience in terms of networking, fellowship, fun, motivational and inspiring speakers. I promise that we shall dance and dance to the music of a Nigerian superstar and icon at the Conference – it's a deal! I can say that the preparation so far has been very encouraging.

#### ON TO HOUSTON CONVENTION 2022

It is no longer news that in-person Houston Convention 2022 will hold from June 4 to 8, 2022 in Houston, Texas, USA. Rotarians have started receiving their visas.

The On-to-Houston Convention Committee of the District, under the Chairmanship of PAG Niyi Adesanya, is still going ahead with the necessary plan to receive the attendees at the convention. As I promised in my last address, may I reiterate to all attendees, once again, of the VIP treatment that will be accorded Rotarians who are able to make it to Houston as I will personally be on ground to receive everyone in the company of the Committee Chairman.

#### RI PRESIDENTIAL CONFERENCE - AFRICA

One of the seven RI Presidential Conferences, the Africa version, is holding in Maputo, Mozambique. About thirty of our members are attending the conference holding from 4th to 5th March, 2022.

"Together we can, together we will".

Let me end this address by saying that I cannot thank you enough, on behalf of myself and my wife - Nike, for the support extended to me since the Change Maker Year began.

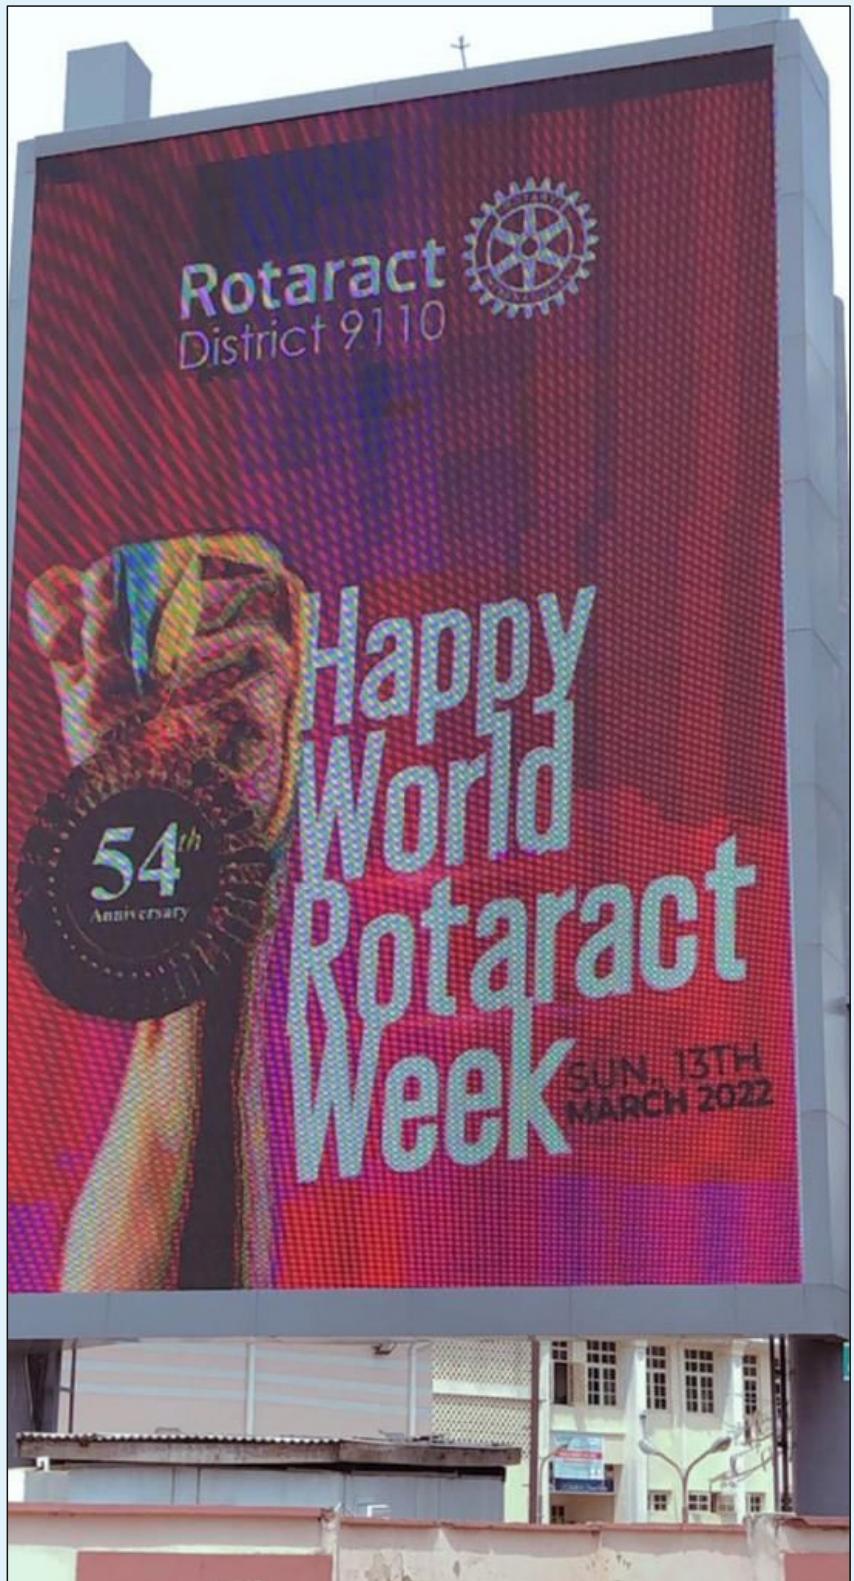

I plead that it is not over until it is over. The clock is still begging to be beaten; let us continue to beat the clock and be the confirmed 'Change Makers' as we 'serve to change lives'.

# ROTARACT DISTRICT SHOWCASED ROTARACT WEEK ANNIVERSARY ON THE GIANT BILLBOARD

Rotaract world over commemoates the 54th anniversary of the first Rotaract Club on March 13, 2022.

Rotaract District 9110 had a week long activities to celebrate the Rotaract week by unveiling the Rotaract week bill board on 13th March, 2022 at Lagos Country Club along Mobolaji Bank Anthony Way, Ikeja.

The led bill board was done with the aim of promoting Rotaract in our communities and for commuters awareness about the youth and of Rotary.

# DRR VISITS BEATING FOR ROTARACT WEEK CELEBRATION

The Rotaract Week Chairperson Fathia Adeleke led the District Rotaract Representative Ayodeji Sobowale on a media visit to beating radio station for on-air session for Rotaract week on Monday 14th March, 2022.

The media session availed the opportunity to acquaint members of the public to activities of Rotaract in general. The session which started in 9:40am lasted about an hour with information about processes of joining Rotaract in our local communities, impact of Rotaract on youths, the current development in Rotaract and line up of activities towards celebrating Rotaract week.

## YOUTH SYMPOSIUM IN HONOUR OF ROTARACT ICONS

The grand finale of the 54th anniversary of Rotaract was capped with youth symposium. The event that was designed for young people for capacity development.

The event commenced at exactly 12noon and Rtn Ayo Adeyemi stood in place of the guest speaker Hon Dayo Israel who was unavoidably absent. Rtn Ayo Adeyemi delivering his speech narrated his Rotaract journey and the impact Rotaract has made in his life.

The event entered the top gear when the Immediate Past District Governor Bola Oyebade and District Governors Nominee Designate Femi Adenekan were called forward into the guard of honor by Rotaractors to be decorated as Icon of Rotaract.

The title which was bestowed on the two as past Rotaractor who have done exemplarily and rose to the highest office in a Rotary District.

The two icons expressed their excitement and encouraged more

Rotaractors to be dedicated to service to humanity.

The symposium ended at exactly 4pm with over 50 Rotaractors and guests in attendance.

# ROTARACT DISTRICT 9110 PARTNERS WITH LAGOS WEST, LAGOS CENTRAL, OGUN WEST AND CENTRAL FOR IMPACTFUL SERVICE PROJECTS

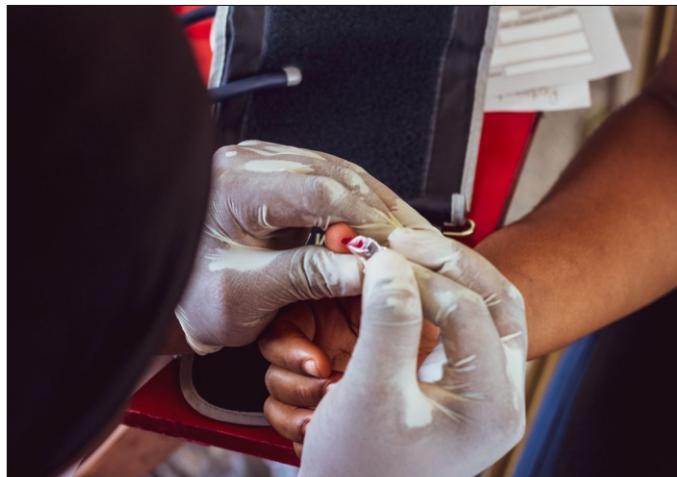

Rotaract District 9110 collaborated with zones/area for service projects. The projects were coordinated by the District during Rotaract week touching two out of Rotary's seven areas of focus

The Ogun West and Central's project focused on Basic Education and Literacy Project involving the donation of 150 exercise books to pupils of NUD Nursery and Primary School, Ifo in Ogun state.

The Lagos West area had a disease prevention and treatment project involving free eye screening and donation of medicated glasses at Odumbaku Primary Health Center, Orile Agege. Not less than 130 people were screened and at least 60 beneficiaries of free medicated glasses were recorded in the project.

Also, the Lagos Central has blood donation drive in collaboration with Lagos State Blood Transfusion Service (LSBTS) on Saturday 19th March, 2022 at Rotary Center Ladoke Akintola Street, Ikeja, Lagos state. A total of 15 people donated to the blood bank of the state to save lives.

# 38TH DISTRICT CONFERENCE (OSHODI 20.2)

District Conferences have a robust place in history of Rotaract District 9110. Not forgetting the interesting fact that the conference is as old as the Rotaract District itself.

The District Conference has been a platform for Rotary family to assemble and advance the goals of Rotary, discuss the development of the Rotaract albeit building network, fellowship with one another and service above self.

The 38th District Conference was held on Thursday 24th - Sunday 27th March, 2022 at Digital Bridge Institute tagged Oshodi 20.2.

The 3-day event had series of educative and fun filled programs. The arrival party tagged Tanna Tanna Waris was a pool side grove where participants in their white top and blue Jean with led glasses danced to the trendy hit musics while croaker barbecue and drinks going all round.

The second day was a highly educative symposium where invited panelists dissected the topic: Adapting to the changes resulting from Rotaract Elevation. The Panelists- Rtn Gbenga Babalola, PDRR Titus Ogunniyi, Rtr Milicent Wokeh and Rtr David Odunsu discussed expectations as Rotaractors and relationship with Rotarians to foster development. There were also questions and answers from the participants.

At the end of the symposium, there was a resolution to create a committee to work towards the identified changes, the symposium was moderated by Rtr Akanni Damola and Rtr Hamzat.

The conference entered a top gear at the first ever appearance of live band at oyato night. Oyato night is a fusion of cultural exhibition and local music to the entertainment of participants as a significance of diversity.

The third day has the arrival of the Changemaker District Governor for the Official declaration and conference awardees.

The official opening started at 12:20 when The District Rotaract Representative Ayodeji Sobowale

called the event to order. The District Governor 'Remi Bello congratulated the DRR on a well planned District Conference and shared his goodwill message to the entire Rotaractors. He furthered his address by relishing on the good relationship that has existed

between the Rotary District and Rotaract to the extent of collaboration in service projects. He however, encouraged more Rotaractors to build more relationships that can endear them to join Rotary.

The guest speaker Rtn Dima Okojie and the keynote speaker Dr Olowu delivered their presentation immediately after the District Governor's address. There was philanthropic award presentation to the CEO of TFS Lending Richard Efe Edi and Executive Chairman Odi Olowo/Ojuwoye LCDA Hon Razaq Olusola Ajala.

The participants after the closing of the official declaration proceeded to the football pitch for the traditional Lagos vs Ogun football competition. The competition sponsored in memory of PAG (Late) Susan Omotosho. The Ogun team won the match by 1-0.

The gala night was a spectacular atmosphere to behold. The paparazzi, the ambience of the environment and colorful attires set the mood for the beautiful gala night. The red carpet was busy while 300 Rotaractors and friends of Rotary engulfed in camaraderie.

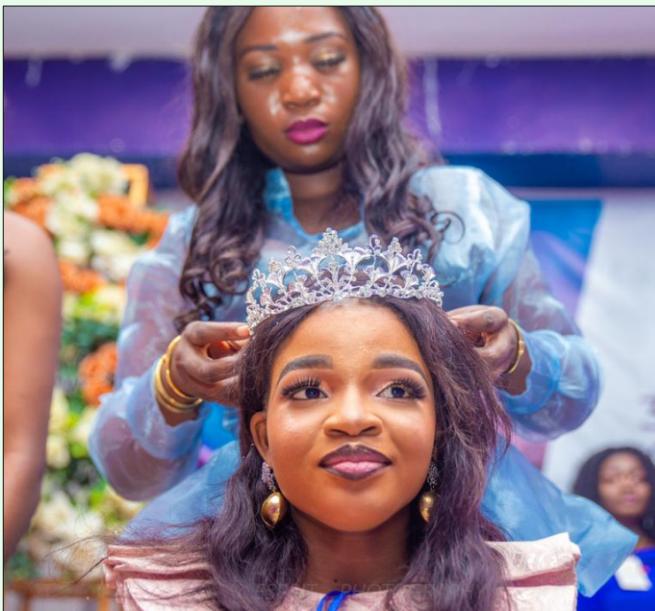

There was also quiz competition in which Rotaractor Oluwadamilola Adejobi emerged the winner of the quiz competition while Rtr Victor Adeyanju and Rtr Toluwanimi Babafemi emerged Mr & Miss Rotaract being the winner of the male and female category of pageantry contest.

It was all music and dance as Rotaractors lined up to present the DRRN and unveil the DRRN in the uniform merchandise.

The DRRE addressed the Rotaractors and unveiled the next conference.

The event was declared close by the DRR at about 5:50am.

## ROTARACT DISTRICT HOSTED FREE HEALTH SCREENING & BLOOD DONATION DRIVE AT THE 38TH DISCON

Health is wealth; a sound state of well being will have direct impact of ability to serve humanity. This in mind, Rotaract District 9110 invited Henry Jackson Foundation for a health screening for HIV and Malaria test for the participants of District Conference. The exercise also included distribution of condoms and antibiotics for STI's. The exercise recorded at least 82 participants tested for the above named diseases.

Also, Lagos State Blood Transfusion Service conducted blood donation drive, there were 28 donors in total.

The project was a commendable one for the health benefits of the Rotaractors.
